

Our Curriculum

Classical Education Core Knowledge Sequence

Knowledge-based schooling puts the emphasis of early education on teaching and learning an enabling core of broadly shared knowledge—enabling because it builds strong foundations for later learning and opens doors to effective participation and mutual understanding in the wider society.

Leader in Me is an evidence-based PK-12 model, developed in partnership with educators, designed to build resilience and leadership in students, create a high-trust culture, and help improve academic achievement.

This model equips students, educators, and families with the leadership and life skills needed to thrive, adapt, and contribute in a dynamic world.

Well-Ordered Language

What if the study of grammar could harness a child's natural **curiosity**? What if it could be a source of **delight** to children? The Well-Ordered Language curriculum presents the study of language in a way that appeals to a child's inborn curiosity and desire to collect, gather, and order.
